whether or not it has notice of the trust, interest or right.

4.2 Joint holders of shares

- (a) to register more than three persons as joint holders of a share; or
- (b) to issue more than one certificate or holding statement for shares jointly held.

The Board may determine to issue a certificate in respect of any share or securities, to cancel any certificate and to replace any certificate that is worn out, defaced, stolen, lost or destroyed.

6 Lien

6.1 Lien on share

To the extent permitted by law, the Company has a first and paramount lien on every share for:

- (a) all due and unpaid calls and instalments in respect of that share;
- (b) all money which the Company is required by law to pay, and has paid, in respect of that share;
- (c) reasonable interest on the amount due from the date it becomes due until payment; and
- (d) reasonable expenses of the Company in respect of the default on payment.

6.2 **Lien on loans under employee incentive schemes**

The Company also has a first and paramount lien on each share registered in the name of a Member for all money payable to the Company by the Member under loans made under an employee incentive scheme.

6.3 **Lien on distributions**

A lien on a share under clause 6.1 or 6.2 extends to all distributions in respect of that share, including dividends.

6.4 **Exemption from clause 6.1 or 6.2**

The Board may at any time exempt a share wholly or in part from the provisions of clause 6.1 or 6.2.

6.5 **Extinguishment of lien**

The Company's lien on a share is extinguished if a transfer of the share is registered without the Company giving notice of the lien to the transferee.

6.6 **Company's rights to recover payments**

A Member must reimburse the Company on demand in writing for all payments the Company makes to a government or taxing authority in respect of the Member, the death of a Member or the Member's shares or any distributions on the Member's shares, including dividends, where the Company is either:

- (a) required by law to make the relevant payment; or
- (b) advised by a lawyer qualified to practice in the jurisdiction of the relevant government or taxing authority that the Company is required by law to make the relevant payment.

The Company is not obliged to advise the Member in advance of its intention to make the payment.

6.7 **Reimbursement is a debt due**

The obligation of the Member to reimburse the Company is a debt due to the Company as if it were a call on all the Member's shares, duly made at the time when the written demand for reimbursement is given by the Company to the Member. The provisions of this Constitution relating to non-payment of calls, including payment of interest and sale of the Member's shares under lien, apply to the debt.

6.8 **Sale under lien**

Subject to clause 6.9, the Company may sell, in any manner the Board thinks fit, any share on which the Company has a lien.

6.9 **Limitations on sale under lien**

A share on which the Company has a lien may not be sold by the Company unless:

- (a) an amount in respect of which the lien exists is presently payable; and
- (b) the Company has, not less than 14 days before the date of sale, given to the registered holder of the share or the person entitled to the share by reason of the death or bankruptcy of the registered holder, a notice in writing setting out, and demanding payment of, the amount which is presently payable in respect of which the lien exists.

6.10 **Transfer on sale under lien**

For the purpose of giving effect to a sale under clause 6.8, the Company may receive the consideration, if any, given for the share so sold and may execute a transfer of the share sold in favour of the purchaser of the share, or do all such other things as may be necessary or appropriate for it to do to effect the transfer. The purchaser is not bound to see to the application of the purchase money.

6.11 **Irregularity or invalidity**

The title of the purchaser to the share is not affected by any irregularity or invalidity in connection with the sale of the share under clause 6.8.

6.12 **Proceeds of sale**

The proceeds of a sale under clause 6.8 must be applied by the Company in payment of the amount in respect of which the lien exists as is presently payable, and the residue, if any, must be paid to the person entitled to the share immediately before the sale.

7 **Calls on shares**

7.1 **Payments due on fixed dates**

If shares are issued on the basis that the Member must make payments on fixed dates, the happening of one of those dates is regarded as a call on that date and all the provisions relating to calls apply. In the case of non-payment, all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

7.2 **Calls**

If a Member has not paid the full price of shares and the money is not payable at fixed times, the Board may pass a resolution requiring the Member to pay a certain amount (a call) in relation to the shares. The call may be made payable either in a single sum or by instalments.

7.3 **Notification of call**

If the Board make a call then, subject to the Listing Rules, they must notify the affected Members in writing at least 30 Business Days before the payment is due, or such other time as required by the Listing Rules. The notification must specify the amount, time and date of the payment and any other matters required by the Listing Rules.

7.4 **Non-receipt of notice**

The non-receipt of notice of any call, by accidental omission to give notice of a call to a Member does not invalidate the call.

7.5 **Revocation of call**

If permitted by the Listing Rules, the Board may revoke or postpone a call or extend the time for payment of any call.

7.6 **Deemed time of call**

A call is deemed to have been made at the time when the resolution of the Board authorising the call was passed.

7.7 **Liability of joint holders**

The owners of a share that is held jointly are jointly and severally liable to pay all calls in respect of that share. This means that the Company may recover the call amount from any one or more of the joint holders, but must not obtain more than the amount of the call from those joint holders.

7.8 **Interest on outstanding sums**

If a sum called in respect of a share is not paid before or on the day appointed for payment of the sum, the person from whom the sum is due must pay interest at the rate specified in the notice given under clause 7.3 not exceeding the Prescribed Interest Rate calculated from the day appointed for payment of the sum to the time of actual payment. The Board may waive payment of interest wholly or in part.

7.9 **Differentiation between holders**

On the issue of shares, the Board may differentiate between the holders as to the amount of calls to be paid and the times of payment.

7.10 **Pre-payment of calls**

- (a) If a Member owes the Company money on shares but no call has yet been made, the Member and the Board may agree that the Member lend some or all of this money to the Company on such terms and conditions as the Company thinks fit.
- (b) Payment of an amount in advance of a call does not entitle the paying Member to any dividend, benefit or advantage (subject to any contract between the Member and the Company), or voting right, to which the Member would not have been entitled if it had paid the amount when it became due.

7.11 **Suspension of privileges**
